

Dayton January 2025 Report

Friday 1/3/25 Received a call that there was 7 dogs and 4 cats abandoned at 516 5th. I left a Notice and heard the dogs inside barking, there was a padlock on the outside of the door. I spoke to the owner Susie Newman and she assured me the pets have not been abandoned. She is in a nasty custody battle with 2 former tenants. I also spoke to the landlord and he confirmed the animals are taken care of.

I left a Notice of impound for the Boone county animal shelter at 328 9th for Zeus and Zari.

Monday 1/6/25 I was off due to the snow. 409 Kenton had a dog that was attacking the stray cats. She put the dog in her car. This dog has been picked up before. We found it on facebook. I was able to call dispatch and get the owners address and phone number for his wife. They came and got the dog.

Thursday 1/9/25 Left a Notice at 139 6th for sharp objects in the yard the dog could cut itself on. Someone walking by called dispatch. There was a machete and broken broom with sharp metal edges.

Monday 1/13/25 611 Berry called about their outdoor cat missing. She is a small black cat and got scared by the neighbors dog and has not come back.

Wednesday 1/15/25 the cat from 611 Berry came back.

TNR cat from 1602 #1 Dayton ave.

TNR two male cats from 906 5th.

Friday 1/17/25 Got a call from the shelter about a landlord finding a cat in a house where the tenants moved out. I contacted the former tenant and found out the cat was an outside cat that got in while they had the doors open moving stuff out. I set a trap for the cat. I was able to catch the cat after the shelter was closed. I contacted them Saturday to take the cat until I could get it TNRed. They refused to take the cat. I had to keep it in my garage until I was able to take it to OAR Monday 1/20/25 for TNR and I picked her up on Tuesday 1/21/25. Cat was released back near 1007 7th. Cat was an in heat female Siamese mix.

Wednesday 1/22/25 Saw a post on Facebook about a Rottweiler on McKinney. I called 411 4th to see if his dog was missing. It was. I told him the dog was seen at 5th and McKinney. He was able to get the dog contained. I advised him to get the dog a collar, rabies vaccine and keep it contained.

Received a facebook message about a matted dog running loose on 4th street. I called the complainant and found out the dog lives at 824 4th. She did not want to knock on the owner's door and get involved. I called dispatch and had an officer make contact and get the dog contained.

Tuesday 1/28/25 Received a message from Cassie with a picture of a dog. It was Dexter from 808 6th.

Friday 1/31/25 I received a call about 2 dogs being abandoned at 525 10th. I left a Notice and sent a message to the owner. She replied back and confirmed the dogs are not abandoned. Neither are the cats. She is moving out and has a home for one of the dogs on Sunday and she is taking the other dog with her.
