

WELCOME TO DAYTON

We're excited that you have chosen the City of Dayton as your new community. Dayton prides itself on its small-town charm, all while having access to many amenities that you and your family will desire in your new home.

The City of Dayton provides many essential services for its residents, including police protection, fire protection, code enforcement, streets and sidewalks, snow removal, parks and recreation, a downtown business district, and much more. Our seven parks and extensive walking trails are a wonderful asset to our community and can be enjoyed year-round by our residents. Dayton hosts a myriad of family-friendly events annually and provides many opportunities for you to become familiar with and involved in your new community. The City has several citizen-run boards and commissions and we are always looking to add new talent to these organizations. If you are interested in serving your community, do not hesitate to contact us or stop by the City Building.

We realize that moving to a new city can be intimidating and we want to make this transition as simple and easy as possible. On the reverse side of this flyer, you will find a list of FAQs and need-to-know information about living in Dayton. Our website is also a great asset to familiarize yourself with our town. See something that you're not sure about or would like more information? Do not hesitate to email us at info@daytonky.com or call using our contact information below. Again, welcome to Dayton; we're glad you're here.
